

Are you looking for an interesting *internship* at an ambitious SparklingWineHouse in The Netherlands?

**Domein Holset**  
BRUISENDWIJNHUIS

### Who we are?

Domein Holset (DH) is the SparklingWineHouse of the Low Countries. DH is fully dedicated to producing an astonishing assortment of sparkling wines from grapes from our 10,5 ha vineyards. The grapes are processed in our winery. Part of the vineyards are biodynamic, and parts are 'in transition' to BD. Furthermore are we actually our sparkling production-line just now. You can learn *and contribute*.

### What we offer

We offer two vacancies for viticulture and oenology students. Since we are a fast growing wine domain you can *plant new vineyards*, maintain young (2-3 year) and older vineyards (13-25 years), assist with some cellarwork, participate and discuss the development of the base wines, the blends, the moment of bottling the wines for second fermentation, dosage tasting, remuage and disgorging the wines. The majority of the work is focused on the vineyard and the harvest.

### When?: We need you during the growing and harvesting season

The period from *half/end July till end of October* is perfect. (start earlier is possible).

We work 40 hours per week, and if needed during harvest and growing season, we work more. There is an 'internship-compensation' and your housing is free.

### Where?

Domein Holset is in the hilly South of The Netherlands, close to Maastricht and Aachen (Aix-la-Chapelle). Holset is a little hamlet. The domain consists of several buildings (hotel, tasting room, offices) and a special apartment for interns with its own facilities (two bedrooms, living room + kitchen and bathroom).

### Special

As a little part of your work (2 hrs/week) we identified two innovation projects:

1. There is a collaboration with a crop improvement company to create a 'novel' pinot noir.
2. We are interested in precision farming and have no idea where to start.

### Who will be you colleagues (wineteam & supervisor)

You become part of our wine team which consist of 4 vineyard employees, 1 supervisor and an oenology advisor. The team is overseen by the overall director of Domein Holset who is, not by accident, also one of the best winetasters in The Netherlands with great commercial power. Bart Keijzer is the supervisor of the wine team and your direct contact.

### Procedure

1. Your application with your CV and short motivation via email to [bart@domeinholset.nl](mailto:bart@domeinholset.nl) For more information you can call him at +31 (0)637006983. If you can not reach Bart, you can call Erik +31(0)650 215 214.
2. You will receive an answer on short notice and if you and Domein Holset maintains interest we will arrange an interview via Zoom.

Looking forward hearing/reading from you.
