

Curriculum Vitae

Career Development:

Since 30/06/2010	Professor at the FH Bingen, study course viticulture & oenology, DLR Rheinpfalz
2011/2020	Guest professor at the University of Heidelberg
01/07/2007-29/06/2010	Group leader of the BMBF funded project "flavonoids in fruits" at the Heidelberger Institute for Plant Science, University of Heidelberg.
11/2003-10/2006	Research Scientist at CSIRO (Commonwealth Scientific and Industrial Research Organization) Plant Industry in Adelaide (Australia) working on regulation of flavonoid biosynthesis in fruits.
02/2000 - 10/2003	Team leader of the group: Molecular physiology of sulfur assimilation and glutathione biosynthesis at the Heidelberg Institute of Plant Sciences (HIP), University of Heidelberg.

University Education:

07/1996-12/1999	Doctoral thesis at the Max-Planck-Institut für Zellbiologie Zellbiologie (Ladenburg) and the University of Heidelberg. Topic of Dissertation: Molecular and biochemical regulation of sucrose metabolism of <i>Erwinia amylovora</i> and colonization of host plant by the pathogen. Certificate: Dr. rer. nat. (<i>magna cum laude</i>)
12/1996-12/1997	Post-graduate scholarship "Pathogenic Microorganisms: Molecular Mechanisms and Genomic Approaches" of the Zentrum für Molekulare Biologie der Universität Heidelberg (ZMBH).
10/1995-04/1996	Diploma thesis at the Max-Planck-Institut für Zellbiologie in Ladenburg. Certificate: Diplom-Biologe (M. Sc. in Biology)
10/1990-04/1996	Study of biology at the University of Darmstadt
