

Vintage 2025 job opportunity

ASSISTANT WINEMAKER

Franconia - Southern Germany

Hey Winemakers!

We are offering a seasonal assistant winemaker position from late August to November 2025 in our family operated winery in Franconia. We process fruit from 45 ha and are engaged in various styles of winemaking (technically driven to low intervention) due to our diverse portfolio of varieties and high class quality wines.

In the cellar we are a hard working, enthusiastic but heartfelt team where you will have the opportunity to work closely with our experienced winemaker and be involved in all aspects of winemaking from grape receival and lab work to punch downs, fermentation monitoring and barreling down our premium wines.

We would love to welcome you as our new team member if you can relate to the following requirements:

Positive, fun loving and great attitude with strong work ethics and a keen attention to detail and precision. Huge passion for wine and a sincere motivation to craft epic wines.

Previous experience in the cellar and willingness to learn.

Ability to work long and irregular hours and a „Can do“ attitude when the going gets tough during harvest. Forklift experience is a plus, but not required.

We offer:

An enjoyable and pleasant working environment with an outstanding team spirit and camaradery, beers and barbecue. Accomodation and dinner provided on the estate.

Competitive weekly pay and one day off on the weekends to be able to visit the picturesque region (Würzburg/Rothenburg/Kitzingen).

Wine allowance and a voucher for the Michelin starred restaurant on the premise.

Immense possibility to acquire hands on knowledge working with an outstanding winemaker and multiple and organically farmed varieties like Sauvignon blanc, Chardonnay, Chenin blanc, Scheurebe, Muscat, Riesling, Silvaner, Cabernet franc and Merlot.

Possibility to stay on longer if both sides agree.

If you feel you are a good fit for the team, we would love to hear from you!
